

Frequently Asked Questions

1

Is FleetWave Lite right for my business?

We have carefully developed FleetWave into three editions - Lite, Core and Advanced to suit the needs of any business regardless of its size or complexity. View the features in each edition [here](#) or [get in touch](#) to speak to one of our consultants.

2

Am I able to restrict what data and changes users can make?

Yes, you can set up hierarchical access based on job role and seniority to see different data.

3

How can I import/export my data?

Don't worry, by using our import wizard you can easily and safely upload your data into FleetWave Lite. Plus, you can easily export data to various outputs such as CSV, Excel or PDF.

4

Can I integrate 3rd party systems such as telematics to FleetWave Lite?

You can add and report on 3rd party data using FleetWave Lite. However, if you need more complex integrations you may benefit from upgrading to the FleetWave Core edition. Our product experts will be able to advise how best to meet your exact needs.

5

Are upgrades delivered automatically?

Yes, FleetWave Lite is a truly cloud based fleet management system and all upgrades are taken care of.

6

How safe and secure is my data?

Your data is hosted securely on MS Azure benefiting from continuous key security updates that maximise protection of your data.

7

Can I access the system remotely?

Yes, if you have internet connection you can access from home, in the office or in your local coffee shop.

8

How can I get the most from FleetWave Lite?

The software is intuitive to use and provides additional help through in-product tooltips, help guides, training videos and our community forum.

9

What savings can I expect if using FleetWave Lite?

Our customers have all reported savings across their operations as well as streamlined processes for a more productive and efficient fleet. View all our customer success stories [here](#).

10

What are the costs?

This is the good part, there's no set up, training, implementation or on-boarding fees! It's just **£3 per month per vehicle**, so you can start tracking your fleet, compliance and costs with minimal expense.

11

How long is the contract?

Sign up for a 12 month contract and benefit straight away.

12

How quickly can I get set up?

You can be up and running with FleetWave Lite in just a few days. Simply sign up for a free trial and we'll arrange for a test environment so you can experience everything that FleetWave Lite can offer. And it's easy to switch to a live feed after the trial period.
