

Hertfordshire County Council &
The Procurement Partnership Ltd (HCC & TPPL)

Procure **FleetWave®** through the HCC & TPPL Fleet Management Framework

Value for UK Public Sector and Charities

- Specialist fleet-focused procurement framework designed for fleet management requirements.
- Compliant procurement route under Procurement Act 2023 available to **TPPL members**, sign up is free.
- Flexible purchasing options, including competitive selection and awards without reopening competition, where permitted.
- Procurement guidance and support from TPPL throughout the buying process.

About the framework

The Fleet Management Services and Supplies Framework is a specialist procurement route established by Hertfordshire County Council (HCC) in partnership with The Procurement Partnership Ltd (TPPL). Available to eligible UK public sector organisations and charities, the framework supports the procurement of fleet management software and related services through a compliant, fleet-focused purchasing route.

How to buy

- Confirm **eligibility** and register for free as a **TPPL member**
- Conduct a free, TPPL managed, mini-competitive selection via the e-sourcing portal or award without reopening competition
- Award and implement your FleetWave solution with Chevin support throughout the process

chevin

- Approved supplier on Lot 5 - Fleet Management Software
- Covers FleetWave software, implementation, support and associated awarded services
- Framework Reference: **TPPLHCCFM01**
- Active through to August 2030
