

Yorkshire Purchasing Organisation (YPO)

Flexible procurement via YPO's Fleet Management DPS framework, available nationwide

Value for Public Sector buyers

- Fully compliant public sector procurement route
- Flexible purchasing tool with pre-agreed terms that can be modified by mutual agreement
- Broad eligibility across UK public sector organisations
- DPS 1117 is designed specifically to support fleet management teams

About the framework

YPO's Fleet Management DPS enables organisations such as local authorities, schools, emergency services and charities to procure fleet services through a competitive but streamlined procurement process.
