

NCSA – North Carolina Sheriff's Association

Cooperative Technology Procurement Program for law enforcement and local government

\$ Value for local government teams

- Cooperative purchasing framework beyond North Carolina availability
- Designed for country and city government agencies nationwide
- No need to run full procurement
- Frictionless route for procurement, with no fees or membership requirements to access and pre-negotiated terms and pricing of vendors

i About

The North Carolina Sheriff's Association Technology Procurement Program enables public agencies across multiple states to procure technology through a cooperative contract.

? How to buy

- Confirm eligibility to use NCSA
- Request a quote from Chevin directly referencing the [framework](#) as the contracting vehicle
- Issue purchase documentation, or further competition and provide a copy to NCSA
- Establish an Interlocal Purchasing Agreement (ILA), if required, with assistance from NCSA
- Contract directly with Chevin, in line with the pre-agreed terms of the framework

- Contract: 27-06-0212
- Active through March 2027, renewed annually
